

**If you answer NO to 1 or more of these questions, we have a workshop to help!**

		YES	NO
1.	Have you ever completed a coaching skills inventory to evaluate the strengths of your coaching skills?		
2.	Do you recognize the array of skills that you call upon when you are an effective coach?		
3.	Are you satisfied that you have helped your employees grow and develop to their potential?		
4.	Do you have strategies you use to help employees improve performance when they are falling behind?		
5.	Do you give your employees challenging opportunities that allow them to pit their skills and knowledge against the situations they encounter?
